..........................................................................................

..........................................................................................

..........................................................................................

## Read the following passage, then answer the questions :

It was a rainy day in January. The farmers were in their fields . A boy ran towards them shouting for help. He told them the river was coming up and they were in danger. They didn't believe him because he was a little boy. An hour later, the high water in the river came over the land . The farmers knew that the boy's words were true . They tried to save their fields and houses, but they couldn't control the water. They ran away. They were very sad because they lost both crops and houses. In the afternoon, some machines were used to pump the water out of the fields .

## Choose the correct answer from a, b, c or d :
